## /Stuff I've Done

### Consultant / Project Manager
**Epic Systems** (2014 - 2015)
•Advised c-suite and ops leadership on technical planning, change management, and process improvement strategies.
•Led teams in ad hoc, crisis situations, requiring innovative coordination of resources to complete project deadlines.
•Liasoned with Epic dev team to improve UX.

### Lead Math Teacher
**Teach For America / YES Academy** (2012 - 2014)
•Served as member of highly selective service corps who commit two years to teach in under-resourced public schools.
•Led math content team of 5 teachers to adopt a data-driven improvement process resulting in UYA math performance moving from 11th to 3rd in a 12-school network.
•Led 85 students to achieve the highest performance in University Yes Academy on all three standardized Interim Assessments of the 2013-2014 school year.
•Decreased suspensions by 50% in the second half or the 2012-2013 school year as Teacher Chair of Positive Behavioral Intervention Committee.

### Founder / Editor-in-Chief
**The Montag** (2010 - 2012)
•Founded the University of Nevada's first journal of undergraduate research.
•Designed marketing strategy, publishing model and org model resulting in 1,000 first edition copies and continued production to this day.
•Raised $27,500 from the College of Liberal Arts. Recruited, interviewed, and managed a staff of 7 editors.
